### PART II: SHORT ANSWER QUESTIONS

**1. What is your vision for APO?**

I want APO to be both a respectable and cost-friendly service fraternity with a positive image for potential rushees to join and have a fun and memorable experience in.

**2. Why do you want the position(s) you are running for?**

VP of Finance

**3. What are your goals for the position(s)?**

My goal as fundraising chair would be to reduce dues for all active and pledge members of the chapter to alleviate any financial burden from being a part of APO. Also I want people to be more involved in actually helping out with fundraising events rather than simply pay to be in good standing.

**4. What new ideas can you bring to the position and organization as a whole? Please provide examples.**

As VP of finance I want to mainly reduce dues for actives and pledges since people have been complaining about the cost in the past. Also I want more involvement of the active body in fundraising since in the past many members mostly only satisfy their fundraising requirements through paying.

**5. What relevant experience, if any, have you had working in committees or other organizations for the position(s) you are running for? Please be specific.**

During the previous when I worked at Jian's Kitchen, I was put in charge of contacting multiple warehouses to purchase materials which trained me in terms of keeping track of spending and expenses. Also I am personally responsible for paying all electricity and gas bills in my apartment where I must make all payments on time while remembering to charge each of my apartments the total amount they must pay at the end of each month.

6. **What other time commitments will you have next semester (i.e. other student organizations, work, research, etc.)? How do you plan to balance APO executive board duties with those commitments?**

I'm planning to get a part-time job on campus next semester but I will prioritize times for EBM's and GBM's and I am fairly confident it will not conflict with any of my commitments as VP of Finance.
