PART II: SHORT ANSWER QUESTIONS

1. What is your vision for APO?

I want APO to not only be recognized as a service fraternity, but also as an organization that builds relationships and drives personal growth. A lot of my ideas for fundraising will not only help the chapter, but help the individual as well.

2. Why do you want the position(s) you are running for?

Because I believe that my background and majors are perfectly suited to the position; I'm good with numbers and have excellent organization. I also have experience fundraising for an organization called NIFTY- a charitable organization helping teens from low-income households pursue their entrepreneurial passions. We raised over 5 thousand dollars

3. What are your goals for the position(s)?

Maintain the current APO balance. Have a positive controllable margin by the end of my term as VP of finance. Help develop new financing ideas. Develop more suitable budgets for other VPS and drivers.

4. What new ideas can you bring to the position and organization as a whole? Please provide examples.

I think that too much of the money we earn as APO are coming from our members. We often fall into the same routine and do the same fundraisers, whether its getting food from somewhere, or

5. What relevant experience, if any, have you had working in committees or other organizations for the position(s) you are running for? Please be specific.

I have not been on the committees of other organizations related to finance.

6. What other time commitments will you have next semester (i.e. other student organizations, work, research, etc.)? How do you plan to balance APO executive board duties with those commitments?

I do not currently have any other time commitments next semester other than course work.
