PART II: SHORT ANSWER QUESTIONS

1. What is your vision for APO? My vision for Alpha Phi Omega is a community that dedicates a lifetime of service not only to the community but also to its fellow members by being there for each other like true brothers. I want to see the organization grow its presence on campus and reach out to an even more diverse group of students.

2. Why do you want the position(s) you are running for?

I would like the position of Fundraising Chair because I believe it's a position that will push me to find creative ways to organize and help fundraise for an organization I really care about.

3. What are your goals for the position(s)?

- Create and stick to more local and on campus fundraisers to reduce gas costs and make it more convenient for members and their friends to come out.
- Plan ahead accordingly to ensure smoothly run fundraisers
- Stick to One big fundraiser per month, and then smaller fundraisers such as Yogurtland, Viztango's etc.

4. What new ideas can you bring to the position and organization as a whole? Please provide examples.

-Some examples of ideas I'd like to bring are selling bracelets or fashionable hand made merchandise that students on campus would want to buy but aren't expensive to make. The process of making them could help brothers bond as well.

- - Sundae Nights/ Themed food nights once a month where members would pay a few bucks to enjoy unlimited food.
-
- IC Fundraiser Karaoke Night/Performance where you could pay to hear someone (or more) sing/dance and you can choose their song.

5. What relevant experience, if any, have you had working in committees or other organizations for the position(s) you are running for? Please be specific.

I have been in the Fundraising committee for two semesters in a row since pledging, so I understand the process that goes into fundraising for APO as well as working with other members to help set up fundraisers. I also am currently Alpha Family Head so I have experience planning events and coordinating with family heads other e-board members for events. I am also pretty good at consistently updating family members on Facebook and e-mail, and being clear on everything I plan (transparency)

6. What other time commitments will you have next semester (i.e. Other student organizations, work, research, etc.)? How do you plan to balance APO executive board duties with those commitments?

I will have a job, as well as be moderately involved in Model UN. I think I can balance them because my Fridays are currently free and I will only work 5 hours a week. My main priority, if elected, will be my position as fundraising chair.
