Active, Dec 2018 – current

Philanthropy Co-Chair, August 2019 - current

As an active, extensive requirements such as group fundraising, about sixty interviews, required community service, and other social and diversity events. As philanthropy co-chair, I am responsible for the community service events that take place and are run independently by APO. We are responsible for a budget of about \$800 and we run a large amount of events during the recruitment season and about once a week after that.

Pre-Pharmacy Society (School Emphasis Club)

Member, Sep 2018 to current

SCPPS Ambassador Intern, Jan 2019 to May 2019

As a member, we attend required health fair volunteer events and gather event points that can come from social, community service, and volunteer events. There is also a requirement for bi-weekly general meetings. As a SCPPS Ambassador Intern, I helped plan and set up for SCPPS, helped with advertising and spreading the word on our campus, and attended SCPPS to help run the event.

SKILLS

- Proficient with computer programs such as Microsoft Office.

- Able to communicate and cooperate with individuals with appropriate manners and respect.
- Can understand and speak basic conversational mandarin Chinese.
- Event coordination and organization.
- Public speaking.
- Collaboratory abilities with other organizations.
