## EXPERIENCE

---

### PricewaterhouseCoopers Taiwan

Taipei, Taiwan

U.S. Income Tax Intern (Tax and Legal Services)

July 2020 – Nov 2020

- Collaborate with associate and senior accountants on individual income tax compliance for dual-citizen clients, specifically on FBAR, Foreign Tax Credits, State Taxes, Capital Gains and Dividends
- Prepare tax research by compiling US tax climates and business tax incentives for clients in the manufacturing, biomedical, and technology industries
- Track ongoing tax regulations updates through Checkpoint and the IRS website and communicate tax updates and implications to the team
- Format, manipulate, and analyze client information and tax research data responsibly with Excel spreadsheets
- Translate official Taiwanese tax documents from Chinese to English by researching technical and legal terms

### Lêberry Bakery

Los Angeles, CA

Business Development Intern

April 2020 – Aug 2020

- Examined advertising and sales performance as well as social media analytics to improve marketing strategies, resulting in 30% increase in social media followers and 20% increase in sales within a span of two months
- Collaborated with other interns to consolidate competitive research on entry into the Taiwanese gluten-free and vegan food market and pitched the final deliverable to wholesalers and investors

### Wonderfilm Media

Los Angeles, CA

Development and Production Intern

Jan 2020 – May 2020

- Summarized plots of 30+ film screenplays into script coverages and critiqued their potential through research on target audiences and the film industry
- Presented the consolidated coverages during sales and distribution meetings to persuade company directors to pass or accept potential scripts

## LEADERSHIP & INVOLVEMENT

---

### USC Alpha Phi Omega

Co-VP of Finance

Dec 2020 – Present

- Maintain organization's financial health by forecasting spending and establishing a comprehensive budget
- Launched a financial aid system that called for fairness and transparency that alleviated the financial burden of 10+ members when participating in the organization
- Implemented creative fundraisers to increase member participation as well as raise funds for charities

### USC Global Brigades

Pro-Bono Business Consultant

Sept 2019 – Jan 2020

- One of 20 selected students to provide business consulting for underdeveloped communities in Panama
- Analyzed transactions, savings records, and journal entries for the Pueblo Nuevo Community Bank from 2016-2020 to pinpoint major errors and inefficiencies in the reporting and recording of financial information
- Translated records into an Excel spreadsheet containing an income statement and savings trend analysis to communicate the Bank's financial health to the Bank leaders
- Hosted educational seminars on basic accounting and financial planning for local businesses in the community
