PART II: SHORT ANSWER QUESTIONS

1. **What is your vision for APO?**

I want for APO to be an organization that ultimately aims to make people happy. It

obviously does that through various service events, and I believe that same commitment to happiness should also be aimed at the active fellow brothers

2. Why do you want the position(s) you are running for?

I like to make people happy. To be able to do so for an organization I care so much about would be an honor. I hope that by doing so, my work will help engage the chapter's members in being more involved with all fraternity matters.

3. What are your goals for the position(s)?

I want our fellow brothers to be engaged in enjoying and celebrating the people that make up our chapter. I want to make event participants the center of the fellowship experience. By doing so, I hope to bring our chapter closer together and help our brothers be more engaged in the fraternity as a whole.

4. What new ideas can you bring to the position and organization as a whole? Please provide examples.

I wish for there to be more consistent and accessible events. Money, travel time, and event scheduling seem to be common complaints about fellowship events. I plan on implementing multiple regular weekly events to help accommodate for scheduling issues. I also hope to introduce more events centered around the people rather than the event location. In doing so, I hope for the participating brothers to be the focus of the event.

5. What relevant experience, if any, have you had working in committees or other organizations for the position(s) you are running for? Please be specific.

I have many years of experience in marching band as a section leader. This involved organizing people and bringing the section closer to help strengthen the organization as a whole.

6. What other time commitments will you have next semester (i.e. other student organizations, work, research, etc.)? How do you plan to balance APO executive board duties with those commitments?

Beside APO, I am not involved in any other organizations. This has been my first active semester in the chapter. I have involved myself quite a good deal in APO this semester by doing a good bit more than the required requirements while still keeping up with school. I have also partaken in multiple committees this semester. I believe these past experiences will help me maintain both APO and school duties.
