EDUCATION

University of Southern California, Dornsife College of Letters, Arts, & Sciences - Los Angeles, CA

May 2022

Bachelor of Science in Biochemistry, Minor in Business Administration, Minor in Health Care Studies

GPA: 3.98

- *Honors:* Dean's Honor List, Phi Beta Kappa, Phi Kappa Phi, SURF, Academic Achievement Award
- *Relevant Coursework:* Molecular Biology, Biochemistry, Organic Chemistry, Advanced Molecular Biology

EXPERIENCE

Eyesthetica, Los Angeles, CA

September 2020—Present

Research Intern

- Assisted with clinical research projects by revising, reformatting, and submitting papers to ophthalmological journals
- Analyzed 440 patient photos for sulcus asymmetry before and after upper blepharoplasty with novel fat pedicle technique
- Compiled an online database of 1,500+ medical practitioners for future patient referrals

17 Branches, Los Angeles, CA

July 2020 – Present

Social Media Marketing Intern

- Devised a social media marketing strategy to broaden reach, improve content, and increase engagement
- Designed 50+ promotional materials; reached out to researchers, medical professionals, and influencers for collaborations

USC Tower Lab, Los Angeles, CA

September 2019 – Present

Undergraduate Researcher

- Prepared *Drosophila* stocks, chemicals, and equipment to streamline experimental procedures and lab space organization
- Researched sexual-differentiation genes and gastrointestinal bacteria to elucidate various aging-related factors through molecular genetics experiments

Summer Researcher (SURF)

- Analyzed *Drosophila* videos with IR tracking to observe various forms of “erratic movement” exhibited prior to death
- Generated behavioral timestamps for 5 movements of interest, which were placed into Deep Lab Cut, a machine learning software, for movement tracking and analysis

USC Disabilities Services & Programs, Los Angeles, CA

January 2020– May 2020

Notetaker

- Wrote, formatted, and compiled weekly course notes for students with learning disabilities
- Utilized the DSP online platform to upload notes and course materials; maintained regular communications with aforementioned students regarding course expectations, progress, and feedback

Somdech Phra Pinklao Hospital, Bangkok, Thailand

July 2019

Medical Intern

- Shadowed well-renowned cardiologists to better understand the day-to-day responsibilities of a medical practitioner; observed cardiac procedures (PCI, CABG, etc.) and patient diagnosis, treatment, and care
- Evaluated local, atherosclerotic patients through electrocardiography, echocardiography, and stress tests
- Nurtured connections with 5 ICU patients; delivered meals and fulfilled requests for patients with cardiac arrhythmias

LEADERSHIP

USC Alpha Phi Omega

January 2020 – Present

VP of Finance, Active Member

- Volunteered at local service organizations: LA Food Bank, LA Rabbit Foundation, Share A Meal, HFC, KEDS, and Kicks for Kids, for 30 hours/semester
- Implemented a need-based financial aid system to promote greater inclusivity and support in the chapter

USC Science Outreach

August 2018 – Present

Session Leader, Active Member

- Led weekly science experiments with second- and third-graders at a local elementary school; supervised 4-5 students per session to nurture potential interests in the scientific fields
- Organized 1-2 virtual hangouts with session members each week; served as a liaison between E-board and the general body

PUBLICATIONS

- 1) Lorden DS, Kim A, **Tejawinata F**, Samimi DB, Lo CC, Dresner SC, Burnstine MA. What is in a Name? It is Time to Retire the Term “Asian Blepharoplasty”. *Ophthalmic Plastic and Reconstructive Surgery* (2020).

SKILLS & INTERESTS

Computer Skills: Microsoft Office, Adobe Photoshop, Adobe Illustrator, Adobe InDesign

Language: English: native; Bahasa Indonesia: native; Mandarin: basic

Interests: Creative nonfiction, photography, reading, and international travel
