A few points to consider:

1. ACCT 373, ACCT 374, and ACCT 462 are 7-week accounting courses taken during the first half of the semester.
2. ACCT 372 and ACCT 377 are 7-week accounting courses taken during the second half of the semester.
3. WRIT 340 is a half web-based class, meaning that I do not have class on Thursday (12:30 – 1:50)

Two scenarios may happen:

1. Given the COVID-19 pandemic, my summer internship might be cancelled. As a result, I am using this opportunity to take summer classes. I am planning on taking **BUAD 425** and **WRIT 340** over the summer. If this situation holds, I will not have class on Tuesdays and Thursdays from 12:30 – 1:50 and Wednesdays from 10:00 AM - 11:50 AM during the Fall 2020 semester.
2. If my summer internship is not cancelled, then I will not be attending summer school. As a result, I will not be taking **ACCT 462** (MW 2:00 – 3:50) during the Fall 2020 semester.
