PART II: SHORT ANSWER QUESTIONS

1. What is your vision for APO?

I joined APO because the idea of it seemed fantastic; an organization filled with people who all love community service. My experience has been great so far but I think that there are definitely changes that can be made within the chapter so that everyone understands what is going on and why certain things are happening. I hope that we can grow/unify as a chapter and become better in terms of LFS.

2. Why do you want the position(s) you are running for?

I want to become more involved and give back to the chapter. My previous experience in holding finance/fundraising positions for different organizations will allow me to utilize my organizational and business skills to help our chapter become financially strong.

3. What are your goals for the position(s)?

- Be transparent during budgeting process and fundraising events.
- Set a fundraising goal for the semester and exceed it.
- Clarity on driver payment system – incentivize drivers or depending on location of event, subsidize cost of uber or public transportation
- Fundraise enough to be able to reduce active fee (more emphasis on external fundraising)

4. What new ideas can you bring to the position and organization as a whole? Please provide examples.

New 'big' fundraising ideas: talent show (maybe with ICs or another student org to maximize interest, also sell candy/other goods), football game gear sale/bake sale, Dean's list jar fundraising, bring back APOker, corporate sponsorships *if possible*

5. What relevant experience, if any, have you had working in committees or other organizations for the position(s) you are running for? Please be specific.

Pledge fundraising chair, Treasurer for FBLA, fundraising committee for API Equality-LA, finance intern at Trans America Financial Group.

In all of these positions, I was able to gain experience working with budgets as well as organizing and coordinated fundraising events.

6. What other time commitments will you have next semester (i.e. other student organizations, work, research, etc.)? How do you plan to balance APO executive board duties with those commitments?

The only other major time commitment I'll have is work but I've balanced it out before so it's honestly not a problem.
