Enrichment Points & Strikes System

The Enrichment Point and Strikes System at Alpha Kappa is to reward our pledges for excelling in our cardinal principles of Leadership, Friendship and Service. At the end of your pledging term, we want to know that you have taken the initiative to pursue your growth in these principles. Furthermore, it is also meant to keep you accountable for your actions. We understand that everyone makes mistakes and it's very normal and acceptable to do so. Our system here is not meant to punish but to inspire you to learn from your mistakes and grow from them.

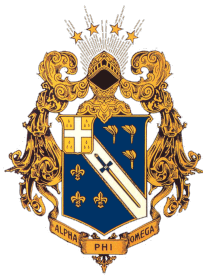

By the end you must have 5 Enrichment Points. Furthermore, at **no point during your pledging semester can you receive more than 2.5 strikes.** If you incur 3 strikes, your pledging term will be terminated immediately.
